Form F2J. Medical Examinations/Tests Questions

Was the client given a physical examination?

Was any blood taken from the client?

Was any of the client's hair taken?

Was the client tested for drugs or alcohol (to her knowledge)? Was any of her urine taken?

Was her body otherwise examined or inspected in any way?

Did any doctor, nurse, or mental health professional examine her?

If so, where?

When?

Describe the examination, test, or inspection:

Who was present at these examinations, tests, or inspections?

Did anyone say anything about what the tests showed?

Was the client asked for permission to take the examination, test or inspection?

If so, how did she respond?

Was she told she had a right to refuse the tests or to have an attorney present for the tests?

If so, how did she respond?
